RE: AB 7 (Evans) Bottle Bill Budget Fix - SUPPORT

Dear Governor Schwarzenegger,

CRRA urges you to sign AB 7. AB 7 would immediately restore funding for core Bottle Bill recycling activities critical to preserving California recycling jobs and a recycling infrastructure that contributes positively to California's economy.

Without AB 7, California recyclers and local governments will continue to face the unwarranted cuts imposed because of loans taken from the Beverage Container Recycling Fund and for the General Fund.

In your 2009 veto message of SB 402 (Wolk) you wrote:

"Additionally, subsequent legislation on this issue should contain provisions that prohibit any additional loans to the General Fund in the future and require the General Fund to repay past loans from this program."

AB 7 goes a considerable way toward fulfilling those goals.

Please sign AB 7.

Sincerely,

J. Muir
