**RE: Support AB 548 (Levine) Multifamily Dwelling Recycling**

Dear Governor Schwarzenegger:

As a rural regional joint powers authority, the Del Norte Solid Waste Management Authority would greatly appreciate your support of Assembly Bill 548 (Levine), which requires owners of multi-family dwellings to arrange for recycling services for their buildings.

AB 548 will require that an owner of a multifamily dwelling provide appropriate recycling services for the dwelling in accordance with the local jurisdiction's recycling plan.

The Board of Commissioners of the Del Norte Solid Waste Management Authority voted unanimously to support this legislation at their regular Board meeting in March 2007, and affirmed that support again in June 2007.

All Californians deserve the opportunity to recycle, regardless of whether they live in a single family home or a multifamily dwelling. We urge your signature of this measure into law.

Sincerely,

Kevin Hendrick, Director  
Del Norte Solid Waste Management Authority

CC: John Moffatt, Deputy legislative secretary
